

**SENCO**<sup>®</sup>MAKING HARD WORK  
**EASIER****GT65i-RH****Gas finish nailer****Applications**

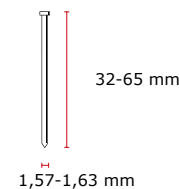

Finish and trim, baseboard, cabinets, decorative trim, furniture trim, door & Window casing

**Features & Benefits**

- Cordless convenience - No hoses, no compressors, no hassles. Navigate the job site with no restrictions
- Powerful motor - High-voltage ignition gives you more power and cleaner combustion
- Metal magazine for increased durability
- Tool-free thumbwheel depth-of-drive adjustment - easily control fastener depth with no tool required
- Consistent drives in all weather conditions - performs optimally between -7° to 49°C

**Technical specifications**

|                            |                      |
|----------------------------|----------------------|
| Dimension (LxWxH)          | 350x96x270 mm        |
| Net weight                 | 2,2 kg               |
| Firing mode                | Restrictive          |
| Sound pressure level (Lpa) | 94 dB                |
| Sound power level (Lwa)    | 99,6 dB              |
| Vibration level            | 1,8 m/s <sup>2</sup> |
| Fastener driving power     | 31 J                 |
| Magazine capacity          | 100 pieces           |
| Collation type 1           | Glue collated        |
| Collation angle            | 20 °                 |
| Battery type               | Li-Ion               |
| Battery voltage            | 7,2 V                |
| Battery ampere rating      | 2,5 Ah               |
| Recharge time 100%         | 120 minutes          |
| Shots per charge           | 8000                 |
| Number of batteries in kit | 2 pieces             |
| Length fuel cell           | 80 mm                |
| Fuel cell type             | 18 gram              |
| Shots per fuel cell        | 1200                 |
| Voltage (ac)               | 230 V                |
| Frequency                  | 50 Hz                |
| Electrical plug type       | Continental          |
